Mechanical engineering for January-April 2024.

The volume of production of mechanical engineering industry of RK for January-April 2024, the volume of production of mechanical engineering industry, in monetary terms, amounted to 1,381.8 billion tenge, showing 17.6% growth compared to the period of 4 months last year.

The IFO of machine building products for January-April 2024 against the period of 2023 amounted to 122%. The following indicators of physical volume index were achieved in the following sectors:

IFO of production of computers, electronic and optical equipment (382.7%), IFO of production of other vehicles (252.1%), IFO of production of electrical equipment (121.2%),

IFO of production of motor vehicles, trailers and semi-trailers (108.6%),

IFO of production of machinery and equipment not included in other categories (83.7%).

Exports of engineering products for the **period January-March 2024** in comparison with the same period of 2023 are noted to decrease by **27%**, amounting to **806 million USD. THE MAIN EXPORT COUNTRIES FOR THIS PERIOD ARE: RUSSIA (58%)**. Main export countries for this period: Russia (58%), Uzbekistan (6%), Kyrgyzstan (7%), Turkmenistan (5%) and Tajikistan (2%).

Imports of mechanical engineering products for **January-March 2024** imports of mechanical engineering products amounted to **USD 5,149.4 mln. In January-March 2024**, imports of mechanical engineering products amounted to **USD 5,149.4 million, having** decreased by 15% as compared with the same period of the previous year. The largest share in the imported mechanical engineering products in monetary terms were: passenger cars (10%), smartphones (8%), bodies for motor vehicles (6%), parts and accessories of motor vehicles (5%), computing machines and their units (3%).

For the period Q1 2024, the leading suppliers of engineering products were China (35%), Russia (11%), Republic of Korea (7%), Germany (8%), and the United States (8%).

The industry is characterized by high **territorial concentration** in Kostanay region, Almaty and Nur-Sultan cities, Akmola, Pavlodar and Karaganda regions.
